Introductory Message

For the Learner

Have you ever dreamed of becoming the next multi-millionaire? If you're thinking that winning the lottery is the only way to become one. Well think again, it is not chances that give you millions, instead being a millionaire is a result of hard work and determination. Starting your own business is a good start towards fulfilling your dreams. Entrepreneurship is the way!

You may often hear the word entrepreneur and entrepreneurship. But what does it really mean? You may refer to an entrepreneur as the person managing the business and entrepreneurship as the business venture. Some may say there is no difference.

So, what does this module provide you towards reaching your dreams?

1. It outlines the concepts and basic principles, and processes of developing a business plan.
2. It helps you understand the environment and market in your locality as a factor in developing a business concept.
3. It allows you to experience starting and operating your own business.

Substantial knowledge of entrepreneurial principles and processes is important as this increases the chances of making your business successful.

In this module, you are guided with a set of learning icons that will help you understand the underlying principles of entrepreneurship.

1. What I Need to Do – the icon used to introduce the learning objectives in this module.
2. What I Know – the icon used to test what you have learned in this module.
3. What's In – the icon used to connect your previous learning with the new lesson.
4. What's New – the icon used to introduce new lesson through a story, an activity, a poem, song, situation or activity.
5. What is It – the icon that will help you discover and understand entrepreneurial concepts.

www.shsph.blogspot.com

6. What's More – the icon that will help enrich your learning's of entrepreneurial concepts.
7. What I Have Learned – the icon that will help you process what you have learned in the lesson.
8. What I Can Do – the icon that allows you to apply what you have learned into real-life situations.
9. Assessment – the icon that evaluates your level of mastery in achieving the learning objectives.
10. Additional Activities – the icon that enhance your learning and improves your mastery of the lesson.

This module will help give you all the essentials needed in your entrepreneurial journey.

Entrepreneurship

Quarter 1 – Module 1

Introduction to

Entrepreneurship

This instructional material was collaboratively developed and reviewed by educators from public and private schools, colleges, and universities. We encourage teachers and other education stake holders to email there feedback, comments, and recommendations to the Department of Education at action @depd.gov.ph

We value your feedback and recommendations.

What I Need to know

Businesses are the backbone of the economy. Entrepreneurs play an important role in developing the economy through providing the needed products and services including the solution to the problem of unemployment.

Entrepreneurs are encouraged by the economy because they can provide a lot of opportunities for the unemployed young people. It will increase in per capita income, higher standard of living and increased individual saving, revenue to the government in the form of income tax, value added tax, export duties, import duties, and balanced regional development

After reading this module, the learners should be able to:

1. discuss the relevance of the course;
2. explain the key concepts of common competencies;
3. explain the core competencies in Entrepreneurship;
